P.S. How is Samlap getting along

Gents - Home safe and well quite cold here tonight - If J.W. Engelmann has not sold his apples offer him 1.25 for bbl delivered to East Lexington
If you can buy Car potatoes at 40¢ for bushel advise us no money at any more. You may find three or four farmers that could load a car potatoes - but if it had to be loaded with small lots from every one that would bring them in I am afraid they would look bad
Yours very truly, Washburn
