

Mr. Jm B Sims, P.O.
Rich & Charlotte,
Train 12-

Wed. 9. 15 am.
Dearest Willie -
We all feel
great relief over the
departure of our
boarder yesterday
aft. We feel that we
are free to do what
we choose, & we have
so much to do ~~today~~
that we think
Katy & I will be here
the last of this, or the
first of next week.
I am going to clean
dinner room today, &

Jim's girl, Dreston
Miss High seems she
had a very happy
Christmas - & the children
certainly enjoyed their
holidays - I took the
baby up to see the
Dounell families &
Mattie Norton Monday
aft - Mattie is a
pitiful wreck - It is
sad to see how she
has gone & pieces
in the last two years -
A nice little baby -
She is wearing with - 204

put down my nice
new Malling - I have
not had a sign of
a house girl. Since
middle of day Monday
till this am when
Moreha put in an
appearance - says
she has been sick
back met our
servant girl hunting
yesterday - hired one
of Malice Palmer's ^{grand}
daughters! which
was away. I hired one
of Jane Palmer's daughters
I don't know what
I'll do about it. Take

Strong enough to nurse
it. She looks as if she
were in a decline -
Old Riley was getting
water out of the house
for a day & a half -
Barrel & barrel in
both - I have Nancy
clearing yard - but
it looks as if rain
will beat her up -
We are needing it -
Nook will go up this
am. & carry Mrs. Mor-
dant's trunk & Trunk
at the same time -

This is all I have time
for - I hope you have
some Mullins for your
littlest daughter -

Did Bridie get any
rolls for the cake?
I wonder how best to live
over - Love -

Mr. Dunt
